

Take charge of your career through free Innovation in Automotive Training

The **FREE Career Exploration training program** offers a theoretical and hands-on exploratory experience for automotive industry job seekers to learn to work on a variety of cars with special emphasis on ICE (internal combustion engines).

The **Electric Vehicle (EV) Up-skilling training program** allows current licensed automotive technicians and senior level apprentices to further develop maintenance and repair skills relating to EVs.

Free training sessions are offered:

- Spring/Summer 2024
- Fall 2024
- Winter 2025

The training will take place at the campus of your choice:

1. Conestoga College, Guelph Campus
2. Fanshawe College, London Campus
3. Mohawk College, Stoney Creek Campus
4. St. Lawrence College, Cornwall Campus
