

Working as an automotive tradesperson? Boost your skills and career with free ADAS training

Today's cars are technologically advanced.
Are you equipped to repair them?

Join us in one of the most comprehensive
electric vehicle programs using the latest
equipment and technology.

ADAS training program:

This program consists of 16 hours of in-person theoretical and hands-on training led by a College instructor.

Eligibility:

- 18 years of age or older;
- a Canadian citizen, Permanent resident or awaiting Permanent resident status;
- currently employed in Ontario as a licensed automotive technician or senior level apprentice;
- a resident of Ontario.

Key benefits:

- Upgrade your understanding and recalibration skills of ADAS through free training
- Access to state of the art equipment
- Learn how to calibrate current ADAS cameras and radars.
- Enhanced learning through the use of lidar and radar speed guns
- Hands-on practical ADAS operation scenarios

Free sessions are offered:

- Fall 2024
- Winter 2025

The training will take place at the
Mohawk College, Stoney Creek Campus.
